Intel CEO Challenge: Pick From Thin Bench, or Look Outside

Brian Krzanich's resignation this week leaves Intel's board with a tough choice: Name the next CEO from a small pool of internal candidates, or go outside for the first time in the chip maker's 50-year history.

Cummins Will Pay Tariff to Import Engines From Its Own Plants in China

Cummins, which imports engines and other products from its factories in China, is among U.S. companies likely to be stung by an American tariff on Chinese-made goods that takes effect next month.

Cannes Ad Festival Reflects Advertising's Changing Guard

This year's Cannes Lions advertising festival, Madison Avenue's annual jaunt to the French Riviera, had all the signs of an industry undergoing wrenching change.

The screenshot shows a desktop view of the Huffington Post website. At the top, the 'HUFFPOST' logo is centered, with social media icons for email, Facebook, Twitter, and Instagram on the right. Below the logo, the main heading reads 'FIFA WORLD CUP'. The page features three article cards on the left and a large vertical advertisement on the right.

BANKING & FINANCIAL SERVICES **FEATURED**

Rebecca Lerner
Managing Director at Merrill Lynch Wealth Management

Rebecca Lerner, a managing director and wealth management advisor at Merrill Lynch in New York City, was named to 2018's "Top 100 Women Financial Advisors" by Barron's Magazine. The ranking reflects assets under management, revenue and the quality of the advisor's practice. Earlier in 2018, Rebecca was recognized by Forbes as a top woman wealth advisor. Rebecca started at Merrill Lynch in 1997, and has been helping high net worth clients achieve ... [More]
